

# TAHOMA—EOC HELP

## Student Support for End of Course Exams in Algebra , Geometry, and Biology

All public high school students are required to meet statewide graduation requirements in order to earn a diploma. Our state has moved from a general mathematics high school proficiency exam (HSPE) to end of course (EOC) testing in Algebra and Geometry. Students who were absent for testing or did not meet standard on the EOC tests last June have the first retake opportunity coming up in mid-January. Your child has the option for a January retake. The resources below give parents an overview of some support options for their student.

### AFTER SCHOOL

#### Tahoma Junior High

Every Tuesday & Wednesday  
2:20pm—3:20pm (after school)  
Location: 200 wing  
Activity bus is available

#### Tahoma Senior High School

Science—Monday & Thursday  
Math—Tuesday & Thursday  
7:30am—8:10am (before school)  
2:50pm—3:35pm (after school)  
Every Wednesday  
2:15pm—2:45pm (Tutorial)

### PRACTICE TESTS

Both Algebra and Geometry practice tests are available on-line with the test, worked problems and the answer sheets
